

Philosophy Philosophy Philosophy CONFERENCE

Now in its 18th year the BPPA Annual Philosophy Conference is run by and for postgraduate philosophy students in the UK, as well as the occasional curious scholar from overseas. Its aim is to creatively stimulate the highest quality postgraduate work.

This is a training for both presentation speaker and respondent. Postgraduate students (part- or full-time MA, MPhil & PhD) of any Philosophy Department are encouraged to **submit abstracts for presentation**, or to volunteer as respondent to a presentation. The selection of papers will be administered so as to feature a broad spectrum of philosophical inquiry. A select number of presentation papers will be published in a special issue of the journal **Philosophical Writings**.

The Leeds team is working hard to make this conference the best it can be!

The event includes an entire day devoted to career preparation. Delegates will be obliged to make a financial contribution toward attending this event even as fund raising to support partial subsidies for fees, accommodations and travel are being worked on.
