

# 67th Annual Northwest Philosophy Conference

"The Conference by the Lake" Φ October 9-10, 2015

*North Idaho College Φ Coeur d'Alene, Idaho*

The Northwest Philosophy Conference is held each fall, attracting philosophers from across the country and abroad. The purpose of this conference is to provide a forum for the presentation of philosophical work. The conference is open to both professionals and graduate students.

**Keynote presentation:** Dr. Mark Bauerlein, Emory University: **"Why Are the Humanities Deteriorating?"**

**Interested in attending, presenting, chairing a session?** Please visit our website:
