CONFERÊNCIA GIFT-H+

23/03/2023 – 10h (Horário de Brasília)

Javier Rodríguez Alcázar

Universidad de Granada (Espanha)

Bio:

Javier Rodríguez Alcázar is associate professor of Moral and Political Philosophy at the University of Granada. He has been a visiting scholar at Washington University (Saint Louis), the Massachusetts Institute of Technology (M.I.T.) and the University of Oxford. He was secretary of the Institute of Peace and Conflicts and secretary and head of the Department of Philosophy I of the University of Granada. He is the author of the books *Ciencia, valores y relativismo* (*Science, values and relativism*, Comares) and *Ética, tecnología y seguridad* (*Ethics, technology and security*, Uniminuto). He is also the author of numerous articles on philosophy of technology, political philosophy and epistemology, published in academic journals like *Philosophical Issues*, *Dialectica*, *Theoria*, *The Journal of Bioethical Enquiry*, *Metaphilosophy* and *Philosophy and Technology*. In 2005 he won the Jaén Prize with the novel *El escolar brillante* (Random House-Mondadori)..
