Savage Education: Workshop

Call for Abstracts

West Chester University | July 6-7
West Chester, PA | 2023

This workshop aims to explore the epistemic legacies of the curriculum and pedagogical practices of U.S. Boarding Schools for Native American children

Proposed topics would ideally focus on ways in which these curriculum and pedagogical practices impacted, and continue to impact, western educational institutions, and how these institutions (past and present) cause epistemic harm to Native students. Abstracts should, in some way, aim to identifying those harms and how western educational institutions and practices have been weaponized against Natives.

Please send submissions as a PDF to JMiller4@wcupa.edu no later than **March 31, 2023**.

Submissions should include:

- An abstract of no more than 500 words for a proposed paper
- Biographical statement (Name, Tribal Affiliation (if any), Academic Standing (e.g., Grad Student, Instructor, Assistant Professor, etc.), University Affiliation).

Acceptances will be notified no later than mid-April
