

## Thursday, August 24th

09.00 - 10.30

**Andy Clark:** Generative Models, Extended Minds, and the Future of Human Intelligence

10.30 - 11.30

**Mariel Goddu & Beate Krickel:** Cognitive Ontology through the Lens of Biology: How an Evo-Devo Approach Shows That Cognitive Capacities Are Extended

11.30 - 12.00 Coffee Break

12.00 - 01.00

**Lawrence Shapiro:** Ruminations on Rubber Hands

01.00 - 02.30 Lunch Break

02.30 - 03.30

**Karina Vold:** Cognitive Extension and the Human-Centered Generality of Multi-Modal Models

03.30 - 04.20

**David Spurrett:** The Extended Cuckoo

04.20 - 05.10 **Luis H. Favela:** Empirical Evidence for Extended Cognitive Systems

05.10 - 05.30 Coffee Break

05.30 - 06.30 **Albert Newen:** The Situated Self: Situatedness as Enabled by Integrated Patterns of Characteristic Features

06.30 - 07.00 Break

07.00 - 09.30 **Reception** at 11<sup>th</sup>-floor lounge, Gamow Tower, Duane Physics Building (for all attendees)

## Friday, August 25th

09.00 - 10.00

**Zoe Drayson:** Is Language Still the Ultimate Artefact?

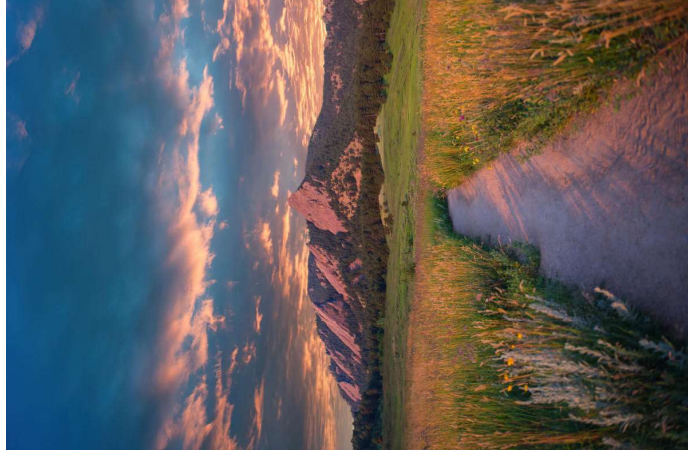

10.00 - 11.00

**Shannon Spaulding:** Extending Social Cognition

11.00 - 11.20 Coffee Break

11.20 - 12.10

**Carmen Messner & Sven Walter:** Shaping (Extending) Social Media Minds: Scaffolding Empathy in Digitally Mediated Interactions?

**All talks will be in Hale Sciences, Room 230 on University of Colorado, Boulder Campus.**

12.10 - 01.00

**Guido Cassinadri & Marco Fasoli:** Rejecting the Extended Narrative: A Critique of Two Normative Arguments for Extended Cognition

01.00 - 02.30 Lunch Break

02.30 - 03.30

**Ned Block:** Is Consciousness extended and if not, why not?

03.30 - 04.20

**Gloria Andrada & Richard Menary:** Cognitive Injustice

04.20 - 05.10

**Keith R. Harris:** Extended Cognition and Cognitive Integration

05.10 - 05.30 Coffee Break

05.30 - 06.30

**Holger Lyre:** Active Content Externalism and Socially Extended Cognition

06.30 Break

07.30 **Dinner** at Café Aion (for speakers only)

## Saturday, August 26th

09.00 - 10.00

**Robert Rupert:** Distributed Cognition and Self-knowledge

10.00 - 10.15 Coffee Break

10.15 - 11.45

**David J. Chalmers:** Do Large Language Models Extend the Mind?

Lunch & End
