

Methodological, Metaphysical and Epistemological Themes in the Philosophy of Logic

Euphilo Annual Conference Series

28th – 30th September 2023, University of Bonn

Internationales Zentrum für Philosophie (IZPH) NRW

– Programme –

Thursday 28th September

- 13:00-13:30 Welcome & introductory remarks
- 13:30-14:30 Alexandra Zinke (University of Frankfurt)
Models and Metaphysics
- 14:45-15:45 Tibo Rushbrooke (University of Oxford)
Logical and Metaphysical Possibility: Rethinking the Distinction
- 16:15-17:15 Ulf Hlobil (Concordia University)
*Reasons for Logic, Logic for Reasons: Implicational Role
Semantics and Rational Forms*
- 17:30-18:30 Luca Incurvati (University of Amsterdam, ILLC)
Three kinds of logical expressivism

Friday 29th September

- 10:00-11:00 William Nava (New York University)
Non-classicality all the way up
- 11:15-12:15 Claire Field (University of Glasgow)
Chalk and Cheese: Is level-coherence coherence?

- 14:00-15:00 Andrea Iacona (University of Turin)
How to be plurally true
- 15:15-16:15 Gil Sagi (Haifa University)
What is and what should never be: Conventionalism and the availability of alternative logics
- 16:45-17:45 Elke Brendel (University of Bonn)
Logical Abductivism and Semantic Paradoxes
- 19:00- *Conference Dinner*

Saturday 30th September

- 10:00-11:00 Julian Schlöder (University of Connecticut)
Proof-theoretic semantics and semantic paradoxes
- 11:15-12:15 Eugenio Orlandelli (University of Bologna)
Quantified modal logics: One approach to rule them all!
- 12:30-13:00 Roundtable & discussion

Organizing Committee — Elke Brendel, Filippo Ferrari, Ben Martin, Sebastian Speitel

Sponsors — The conference is sponsored by the **Deutsche Forschungsgemeinschaft (DFG)** and is organized with the support of **EuPhilo**, the European Network of Philosophy of Logic (<https://euphilo.net/>), and the **Chair for Logic and Foundations**, University of Bonn.
