## CALL FOR PAPERS 2024-2025

---

*Mutatis Mutandis: International Journal of Philosophy* invites researchers to submit their research articles and book reviews for consideration. The journal operates under a continuous publication model and is open to receiving contributions for volumes 11 (2024) and 12 (2025) throughout the year. Contributions are welcomed for both the general section and thematic dossiers. To learn about formatting requirements and submission details, please visit the journal's website.

Full call at:
