

ΤεχνηCON 2025

An Ethics of Technology Conference

Keynotes: Seth Lazar, Cathy O’Neil

The **Technology Ethics eXchange of the NorthEast (teχnē)** invites submissions of extended abstracts for an interdisciplinary conference on the ethics of technology, to be hosted at the **Massachusetts Institute of Technology** on Feb. 1-2, 2025.

Potential topics for submissions include, but are not limited to:

- Philosophical research on the ethics of artificial intelligence, the ethics of computing, or the ethics of technology generally
- Social research on the impacts of technologies
- Interdisciplinary research in responsible computing and responsible technology development
- Scholarship on educational initiatives in responsible computing and STEM ethics, such as courses, modules, workshops, or masterclasses
- Pedagogical reports of success stories, challenges, and strategies for teaching ethics to students in technology-focused concentrations

To submit an abstract (of no more than 750 words), please complete the following form:

<https://forms.gle/KXjHDXf2YmWPEh8A6>

The abstract submission deadline is **November 1, 2024 at 12:00am** (anywhere in the world).
