

The 14th annual
**Philosophy of Logic, Mathematics, and
Physics Graduate Conference**

will take place on **Thursday-Friday, June 5-6**, 2014, at the
University of Western Ontario
in London, Ontario, Canada.

We are pleased to announce that
Doreen Fraser (University of Waterloo)
will be giving the keynote address.

Call for Papers

Graduate students who have not yet defended their PhD thesis are invited to submit papers on any topic in **philosophy of logic, philosophy of mathematics, and philosophy of physics**.

Papers in philosophy of physics will be considered for the 11th Annual Clifton Memorial book prize. The contest will be adjudicated by philosophy of physics faculty members at Western.

Submission Guidelines

The maximum paper length is 5,000 words, including footnotes and appendices (but not references). If the paper includes tables, figures, or equations, an appropriate number of words should be subtracted from the limit. Papers are to be prepared for anonymous review, and should be accompanied by an abstract (no longer than 300 words). Co-authored papers are not eligible for submission.

Deadline: Papers should be submitted via [EasyChair](#) by **February 24th, 2014**.

Authors of accepted papers will be limited to 30-35 minutes for presentation, followed by a 20-minute period of discussion. We will endeavor to make accommodations available to all visiting graduate students. This year, the 2014 LMP Conference will precede the 18th annual Philosophy of Physics Conference, taking place June 7-8.

Additional information can be found on our website: <http://logicmathphysics.ca>
Please send questions to the LMP Conference Committee: uwolmp@gmail.com

We look forward to receiving your submission,

Melissa Jacquart, Olivia Komorowski, Josh Luczak,
Nathan Moore, Jared Richards, and Jessey Wright
(2014 LMP Conference Committee)
