

UIVID 2025

Conference: Artificial Intelligence in an Interdisciplinary Discussion

[Translation of the conference programme]

Faculty of Arts, University of West Bohemia, 17th-18th October 2025

Conference room A = SP 319, Sedláčkova 214/15 | **Conference room B** = SP 309, Sedláčkova 214/15

Friday 17 th Oct.	
08:15-08:45	Registration Hall (3rd floor)
09:00-09:15	Conference opening Room A
SESSION 1	Room A – Invited talks
09:15-09:45	RNDr. Petra Vidnerová, Ph.D. (Institute of Computer Science, Czech Academy of Sciences) – Network text analysis using language models for mapping scientific literature
09:45-10:15	PhDr. Marek Urban, Ph.D. (Institute of Psychology, Czech Academy of Sciences) – ChatGPT as the best tool for learning (and its avoidance)
10:15-10:45	Ing. Michal Veselý (Freelance AI consultant, ex Seznam.cz) - The challenges of implementing LLMs in commercial practice
10:45-11:05	Coffee Break

SESSION 2A/2B	Room A – AI, cognitive architectures and consciousness	Room B – AI and society
11:05-11:35	Mgr. Jan Veselý (KFI ZČU) - Hume, AI, and cognitive architectures - Hume's conception of the mind through the lens of cognitive science	Bc. Eliška Hlaváčková (PsÚ FF MU) - Negative effects of using social chatbots
11:35-12:05	Bc. Ekaterina Davitdaze (KFR UPCE) - Synthetic Subjectivity: AI and the problem of consciousness	Mgr. Vojtěch Polívka (KFI ZČU) - Can a machine serve as remedy for male loneliness?
12:05-14:00	Lunch	
SESSION 3A/3B	Room A – AI in context of psychology	Room B – Philosophical reflection of AI
14:00-14:30	Mgr. Katarína Šoltis Smith (DYS-centrum Praha/ KPS FFUK) & Ing. Jan Husák. J. (CIIRC) [speakers], Ing. Jaromír Doležal, Ph.D. (CIIRC), doc., PhDr. Lenka Krejčová, Ph.D. (DYS-centrum Praha) [co-authors] - Development and pilot evaluation of stimulus material for testing attention in a virtual reality environment	Mgr. Alex Vigh (KFI ZČU) - Heidegger's thinking as a stimulus for reflection on large language models
14:30-15:00	Bc. Matouš Jarolímek (KPS UPOL) [speaker]; Ing. Slavka Silberg, MBA, MSc., Ph.D. (KPS UPOL) [co-author] - Affinity and Attitudes of Psychologists Towards AI Use in the Professional Practice	Mgr. Jaroslav Štolc (KFR UPCE / KTF UK) - Philosophical reflection on human nature in the context of artificial intelligence taking over of rationality
15:00-15:20	Coffee Break	
SESSION 3A/3B	Room A – LLM, language and ethics	Room B – Ethics of AI
15:20-15:50	Mgr. Ondřej Drobil (ÚL FFUK) & Mgr. Eva Pospíšilová (ÚČJTK) [speakers], PhDr. Jiří Milička, Ph.D. (ÚL FFUK) & Dr. Phil. Anna Marklová, Dr. Phil (ÚL FFUK) [co-authors] - Do we know artificial intelligence better than it knows us? The role of feedback in the recognition of AI-generated texts	Mgr. Petr Jošt (KFSV UHK) - AI moral assistant: machine ethics in the context of moral enhancement
15:50-16:20	Mgr. Tomáš Musil (ÚFAL MFF UK) - Beyond technological determinism: LLMs, understanding, and alignment	Mgr. Jana Švadlenková (KFI ZČU) - Trust in AI: An ethical concept, a normative framework, or a cultural metaphor?
16:20-16:40	Coffee Break	

SESSION 5	Room A – Visiting talk
16:40-17:10	Visiting talk - <i>TBC</i>
17:10-17:30	Coffee Break
SESSION 6	Room A – Invited talk
17:30-18:00	doc., PhDr. Vladimír Havlík, CSc. (KFI ZČU / Institute of philosophy, Czech Academy of Sciences) – Emergent properties of LLMs
18:00-18:20	Closing of the first day Room A
18:20-22:00	Dinner, networking, informal cultural programme

Saturday 18th Oct.	
09:30-9:45	Opening of the second day
SESSION 7	Room A – AI and creativity
09:45-10:15	Mgr. Jaroslav Malík (KFSV UHK) - Disclosing the AI co-researcher: Mapping the creative scientific reasoning of large language models
10:15-10:45	Mgr. Tereza Matějková (KFI ZČU) - How do we talk about AI and creativity?
10:45-11:00	Coffee Break
SESSION 8	Room A – Reflection on AI and its development
11:00-11:30	Mgr., Mgr., Ing., Ing. Petr Heller (KTF UK / KAS MUP) - Determinants of artificial intelligence development in the US and China
11:30-12:00	Mgr. Miluše Kotišová (KFI ZČU) - Illogical, asymbolic, and subsymbolic AI... Really?
12:00-12:15	Coffee Break
SESSION 9	Room A – Visiting talk
12:15-12:45	MSc., BA. Arvin Obnasca (BeEthical, France / UNISS, Italy) - The Quiet Philosophy of AI Standardisation
12:45-13:00	Conference closing Room A
13:00-14:30	Lunch
14:30 - ...	Informal cultural programme, visit to historical centre of Pilsen, other.
