

'IDEAS AND ENLIGHTENMENT' (POST)GRADUATE TRAVEL GRANTS

DAVID NICHOL
SMITH SEMINAR
IN EIGHTEENTH-
CENTURY
STUDIES XV

The 15th David Nichol Smith Seminar organizing committee is pleased to announce that they will be able to offer a limited number of travel grants to expand postgraduate participation in the 2014 'Ideas and Enlightenment' conference. These are provided through generous funding contributions from the Faculty of Arts and Social Sciences, the Putting Periodisation to Use Group, and the Sydney Intellectual History Network at the University of Sydney. These scholarships are part of an extended postgraduate program at DNS XV, which will be supported by the newly formed DNS Graduate Caucus. We anticipate that the program will include paired mentoring between junior and senior colleagues at the conference and a professional development workshop. Those awarded scholarships travel grants would be expected to be actively involved in this program.
