Roundtable on

Concept and Predicate Commonality across Indian Languages

4-5 Dec
2025

10:00 am – 6:00 pm
Chanakya University

www.chanakyauniversity.edu.in

The conference brings together experts from Linguistics, Philosophy, Literary Studies, Machine Learning, Artificial Intelligence and NLP for a focused discussion on revitalizing Indian-language ecosystem, with particular attention to shared concepts and predicates. It also aims at developing new technical capabilities needed to understand the civilizational role of languages in forming a unified culture.
