

# CALL FOR ABSTRACTS: FUTURE WORKSHOP NEUROETHICS

Keynotes by  
Prof. Dr. Surjo Soekadar  
& Prof. Dr. Birgit Beck

"Neuroethics in Transition:  
Challenges and Opportunities for  
Research, Politics, and Society"

## What we are looking for:

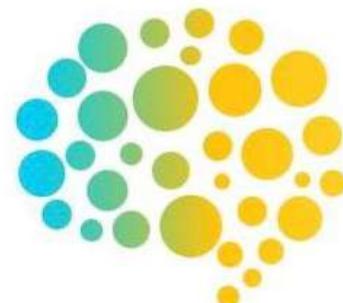

- Short presentations (approx. 30 min., including discussion) about current research, controversial debates, or innovative solutions
- Interdisciplinary approaches (e.g., ethics, law, psychology, computer science, neuroscience) are very welcome.
- Relevance for networking: How can your contribution advance networking, policy work, or the promotion of young talent?

## Format & Procedure:

- Presentation: In-person or online
- Language: German/English
- Abstract length:  $\geq 300$  words

Abstract submission by  
March 15, 2026  
Date: May 6–7, 2026  
Location: Bonn
