

PERCEPTION, REASON & DESIRE IN ANCIENT & MEDIEVAL PHILOSOPHY 30.09.16 to 1.10.16

**Keynotes: Professor Cecilia Trifogli (Oxford)
& Professor Thomas Johansen (Oxford)**

CFP: Uppsala Graduate Conference in History of Philosophy
The conference aims to explore the different abilities (or powers) of the human soul. How do the different ancient schools understand perceptual, cognitive and appetitive aspects of human psychology and how do they argue for their theories? What is their influence in the medieval debate and what are the particularly medieval developments?
