## CALL FOR PAPERS

*Academic journal **FILOSOFIE DNES** (**Philosophy Today**) now  
accepts manuscripts for a special issue on the topic*

### **EXPERIMENTAL METHODS AND EVOLUTIONARY MODELS IN PHILOSOPHY**

- ❖ The issue follows a topic of the conference hosted by University of Hradec Králové *Hradecké filozofické dny 2016* (see <http://lms.ff.uhk.cz/hfd/>)
- ❖ You can submit your manuscript online at <http://filosofiednes.ff.uhk.cz> until 31. October 2017
- ❖ Submitted papers (research studies or critical reviews) should address for example:

*possibilities of applying experimental methods and evolution models in philosophy  
application of empirical science in philosophy  
history of experimental and evolutionary methods in philosophy  
interdisciplinary research connecting philosophy and empirical science  
criticism of naturalism in philosophy*

Our journal also accepts papers on various topics for its topic non-specific issues.

The journal accepts submissions in English, Czech and Slovak language.
