23 March 2018

University of Reading, London Road Campus, building L04, room G05

Arrival and coffee from 9:30

10-11:15 Philip Stratton-Lake (Reading)

Necessarily Coextensive Predicates and Irreducible Properties

11:30-12:45 Franziska Poprawe (Oxford)

Are Reasons Essentially Premises?

Lunch

1:45-3 Clayton Littlejohn (KCL)

Why We Cannot Reasonably Expect Rationality to be Normative

3:15-4:30 David Heering (Leeds)

Reasons, Rationality and Exercising Capacities subpar

4:45-6 Brian McElwee (Southampton)

Moral Progress and Moral Reproach

Attendance is free, and all are welcome. Please email Luke Elson (luke.elson@reading.ac.uk) to register if possible, so we can order enough coffee. Also contact Luke with any accessibility or childcare questions, etc.

We are grateful to the University of Reading School of Humanities for financial support.
