

WORLD LITERATURE & PHILOSOPHIES LECTURE SERIES 1

Sōseki and the Origin of Modern Japanese Literature

漱石と現代日本文学の起源

Speaker: Douglas Atkinson (VUB).

February 16th 2018 at BOZAR vitraux, Rue Ravenstein 23, 1000 Bruxelles.

This lecture series invites scholars in the field of literature and world philosophies to talk about ideas found in the cross section between world literature and diverse intellectual traditions. As a part of the VUB-ULB academic partnership, the series particularly welcomes contributions on East Asian literature and philosophies but remains open to discussions on literary works pertaining to any intellectual tradition. For more information, contact Takeshi at Takeshi.Morisato@ulb.ac.be or Douglas at Douglas.Atkinson@vub.be.
