CALL FOR POSTER ABSTRACTS

The conference will explore how different philosophers and philosophical schools of the twentieth century responded to the Einsteinian revolution.

We invite PhD. students and researchers to submit poster abstracts that relate to the theme of the Conference.

Abstracts must be submitted to chiara.russokrauss@unina.it in .doc or .docx format no later than 31 January 2020. The abstracts may not be longer than 500 words and must be submitted in English.

The abstracts will be evaluated by the organizers and the accepted posters will be on display outside the Conference room throughout the event. The authors will have the chance to present and discuss their works with the Conference participants.

Researchers that will have an ongoing work contract with a University at the time of the Conference may be eligible for a refund of travel, accommodation, and food costs. Ph.D. students at the time of the Conference may be eligible for an attendance fee of 250 euros (minus taxes).

The Conference speakers will suggest the best poster to become papers that will be published in the Conference Proceedings.
