International Virtual Conference on Spirituality, Religion, Irreligion, and Society today [IVC2021SRIS] is an online platform for global stakeholders to gather, network and discuss on Human Spirituality, Psychology and Sociology of Mental Health, Spiritual Wellness, Religious issues, and any themes related to our actual Society in provocative times. DIALOGO offers a unique, culturally and professionally diverse environment, carefully designed to foster personal and professional growth.

This conference: gathers scholars, policy makers, professionals and NGOs representatives and is open to any and all gender, religion, race and beliefs as our diversity in perspective is what helps broaden our knowledge, understanding and actions on the subject at hand.

Conference Panels:

Spiritual Wellness

Nurturing your soul is as, if not more, important for your well-being as nourishing your body

Religious, Spiritual, or Irreligious?

Long time developing together as the human endeavor in the spiritual realm, they both grew in separate ways, with different target and purposes

Religion in the Age of Coronavirus

Covid-19 pandemic challenged all religious leadership to take measures pro or con their beliefs, practices and traditions with unspeakable effects

Society under changes

Today's social fabric is a realm of important changes and movements. Are the multiple social problems been ameliorated by the spiritual-religious reality or on the contrary?
