8. Fabrice Flipo (IMT BS / Université de Paris), 21 April 2022, 6.15pm - 8.15pm (Paris Time): Enjeux positifs et normatifs de l'économie écologique
9. Muriel Gilardone (Université de Caen Normandie), 12 May 2022, 6.15pm - 8.15pm (Paris Time): Le positif et le normatif chez Sen et dans la Capability Approach
10. Huei-chun Su (Institute for New Economic Thinking at the Oxford Martin School), 02 June 2022, 6.15pm - 8.15pm (Paris Time): Normative Economics and the Art of Political Economy (Zoom)

The first session on October 15 will be in French and on Zoom. Sessions by John Davis, Daniel Hausman, Johanna Thoma, and Huei-chun Su will be in English and on Zoom. The other sessions will be held in French and in person, in Paris.
 All those interested will be able to attend the sessions. In order to attend the sessions on Zoom, please use the following link: <https://us02web.zoom.us/j/sina.badie>
 In view of the limited number of persons allowed in the audience for the sessions taking place in Paris, please send your contact information and your institutional affiliation to the following address, so that you can be added to the list of participants: sina.badie@tutanota.com
 Those interested in the seminar should contact the same address, so that they can be provided, for each session, with additional information and possible modifications.
