PRIVACY STATEMENT

Citta collects information that is necessary and useful for the processing and publication of manuscripts submitted to us.

The abstract/draft submission form collects your name, email address, affiliated university, and level of study. Your name and your email address will be used to contact you regarding shortlisting, publication updates, and Citta's announcements. Information regarding your university affiliation is meant to help us gauge the extent of Citta's traction. Your level of study would help us understand

our author pool better, and ensure that submissions come from a specified set of scholars (undergraduates/recently graduated).

Citta is an open-access journal. Our first volume will be published electronically. In submitting your paper to us, you consent that if your paper is selected for publication, *your name* and *the name of your affiliated institution* may be published alongside your paper in Citta's Volume 1. Accordingly, you consent that *your name*, *the name of your affiliated institution*, and *your email address* be made available on Citta's upcoming website for our readers.

No other information that you disclose via the submission form will be shared anywhere else, or with any other person, body, or organisation.

COPYRIGHT INFORMATION

Volume 2 of Citta will be licensed under the Creative Commons Attribution 4.0 International (CC-BY) License. This means that others will be allowed to distribute, remix, adapt, and build upon your work, even commercially, as long as they credit you for the original creation. Kindly refer [here](#) for the human-readable summary of the license and [here](#) for the legal code.

The CC-BY license is considered to be the most appropriate for open-access journals and would allow for the maximum dissemination and use of your work.
